

# EQUIPMENT RETURN INSTRUCTIONS

YOU **MUST** SHIP YOUR SYSTEM ACCORDING TO THESE INSTRUCTIONS. YOU **MUST** USE THE PROVIDED BOX AND PACKAGING MATERIALS, INCLUDING THE PROVIDED INSTAPAK FOAM.

## STEP 1

Place your original Instapak foam inside of your Vector. If you requested new Instapak foam, carefully follow the instructions to inflate the foam, then place the foam inside of your Vector.

## STEP 2

Place the bottom foam in the box as shown.

## STEP 3

Place your Vector inside of the bottom foam, with the rear facing the notches in the foam. Don't force your Vector into place. Your Vector should fit snugly inside of the foam.

## STEP 4

Place the top foam in the box as shown.
